Dear Valued Supporter,

On behalf of International Diplomatic Alliance (IDA), we are pleased to provide this submission packet in support of Stronger Together Foundation, Inc., which operates under our fiscal sponsorship as a federally recognized 501(c)(3) tax-exempt nonprofit organization.

Stronger Together Foundation is dedicated to addressing food insecurity and providing essential resources to families, seniors, migrants, and individuals experiencing economic hardship. In its first year of operation, the organization has served thousands of individuals through food distribution, clothing support, and community outreach programs.

International Diplomatic Alliance provides legal, financial, and administrative oversight to ensure that all donations made in support of Stronger Together Foundation are properly received, managed, and applied exclusively to charitable purposes in compliance with IRS regulations. Contributions made under this fiscal sponsorship are tax-deductible to the extent permitted by law.

Stronger Together Foundation is actively pursuing its own independent 501(c)(3) status. Until that process is complete, International Diplomatic Alliance remains committed to ensuring uninterrupted service delivery and strong nonprofit governance standards.

We invite you to partner with us in strengthening families and building resilient communities.

Sincerely,
